

Novel Coronavirus (COVID-19) Disinfectants

The following products have been pre-approved by the [U.S. Environmental Protection Agency \(EPA\)](http://www.epa.gov) for use against emerging enveloped viral pathogens and can be used during the 2019 novel coronavirus (COVID-19) outbreak. These products are pre-mixed and can be used by business owners, health professionals, and the public. For a more exhaustive list of products, please refer to the list compiled by the American Chemistry Council's (ACC) Center for Biocide Chemistries (CBC). Always refer to the manufacturer label to confirm use directions.
