

1580 E Cheyenne Mtn Blvd  
Colorado Springs CO 80906

Dear Esteemed Business Leaders,

I am delighted to welcome you to this year's Colorado Springs Washington, D.C. Fly-In, proudly sponsored by InBank. It is an honor to accompany such a distinguished group of business and community leaders from the Pikes Peak region as we embark on this important journey together.

Every year, this Fly-In represents the largest delegation of business leaders from Southern Colorado to our nation's capital. Our mission is to advocate for federal issues that directly impact our businesses and communities. This year's itinerary includes meetings with Congressional members, think tanks, national trade organizations, and policy groups. Additionally, we will host several receptions to build and strengthen relationships with Congressional leadership.

The strength of our collective voice is unparalleled. When we unite to address key issues such as Economic Policy, Natural Resources, Energy, Transportation, Military and Defense, we make a significant impact. Our tailored briefings from policy and advocacy experts will ensure we are well-prepared to advocate effectively for our region's priorities.

At our community bank, we understand the vital role we play in nurturing the economic ecosystem of Colorado Springs. As beacons of solidarity and stewardship, we are committed to providing personalized attention and fostering entrepreneurship. By investing in Aerospace, Defense, Cybersecurity, Software Development, Advanced Manufacturing, Semiconductor Technology, Medical Equipment, Supplies Manufacturing, Finance, Insurance, Hardware and Springs Manufacturing, we aim to lay the groundwork for sustainable development and ensure our community thrives for generations to come.

Supporting this Fly-In is part of our commitment to local prosperity. The opportunity to engage directly with legislators allows us to drive meaningful dialogue on the most important issues affecting our businesses and community. It is through these efforts that we bridge the gap between aspiration and opportunity, enabling individuals to build assets, secure loans, and achieve financial stability.

The benefits of this Fly-In extend beyond advocacy. It is a powerful platform for networking, learning, and gaining exposure to new markets, customers, and partners. The connections we make and the consensus we build during this trip will further each other's interests and amplify our message in Washington, D.C.

Thank you for your commitment to making a difference. Together, we will strengthen our voice, advocate for policies beneficial to our community, and forge a path toward a brighter future for Colorado Springs. I look forward to working alongside each of you and making this Fly-In a resounding success.

In partnership,
